Tiger population

3919. SHRI R.P. GOENKA: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) whether it is a fact that the tiger population in India has been steadily declining, especially during the last about 25 years;

(b) if so, the detailed reasons therefor and the present status of tigers in the wildlife parks etc. across the country; and

(c) details of short/long term plans drawn up to save the national animal from the brink of extinction, including specific measures contemplated for its breeding?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI NAMO NARIAN MEENA): (a) and (b) There is no country level declining trend discernable in the tiger population during the last three decades. The details of All India tiger estimation since 1972 are given in the Statement (*See* below)

(c) The Government of India has taken the following measures for tiger conservation:—

1. Ongoing Funding Schemes:

Funding and technical help are provided to states under the Centrally Sponsored Schemes of "Project Tiger", "Assistance to National Parks & Sanctuaries" and "Project Elephant" for enhancing the capacity and infrastructure of states to provided effective protection to wild animals including tiger.

2. Legal Measures Taken:

(i) Legal protection has been provided to wild animals under the Wildlife (Protection) Act, 1972, which has been amended and made more stringent.

(ii) The Central Bureau of Investigation (CBI) has been empowered under the Wildlife (Protection) Act, 1972 to apprehend and prosecute wildlife offenders.

3. Administrative and other Measures:

(i) A National Wildlife Action Plan (2002—16) has been adopted by the Indian Board for Wildlife under the Chairmanship of the Prime Minister

in January 2002, which outlines the strategy for conservation and protection of wildlife in the country.

(ii) Government of India has set-up regional and subregional offices for wildlife preservation in major export and trade centers of the country to prevent smuggling of wild animals and their products.

4. International Conventions:

India is signatory to many international conventions relating to biodiversity conservation and control of illegal trade in wild flora and fauna.

5. Bilateral Agreements:

India has bilateral agreements with Nepal and China for controlling trans-boundary illegal trade in wildlife.

6. Global Tiger Forum:

A Global Tiger Forum of tiger range countries has been created for addressing international issues relating to tiger conservation.

7. Initiatives Taken for eliciting public support:

- Complementary inputs for Ecodevelopment and voluntary village relocation provided earlier in separate projects have now been merged with Project Tiger as an "Umbrella Scheme".
- Under the externally aided "India Eco-development Project", as many as 572 eco-development committees have been formed in seven Protected Areas (which included six Tiger Reserves) covering 75,600 families, to reduce the dependency of local people on Protected Area resources, with reciprocal commitments. An amount of Rs. 15,692.30 lakhs has been provided to States for 6 Tiger Reserves till the completion of this Project in 2004.

8. Other Initiatives Taken:

- Eight more potential sites have been identified for Project Tiger coverage.
- "Project Allowance" has been provided under the scheme to field staff working in tiger reserves.
- Regional Monitoring of Tiger Reserves has been undertaken by a group of experts as per the normative standards of the Ministry.

- 100% Central Assistance is provided for deploying anti-poaching strike squads in Tiger Reserves, apart from expenditure relating to research, veterinary, monitoring and evaluation, compensation to the legal heir of staff/person killed while performing duty, and for monitoring of tiger population.
- Information and communication technology is under use for linking important tiger reserves in the GIS Domain for evolving a management support system and crime detection, dissemination of information through web and evolving a 'National Tiger Monitoring and Habitat Evaluation System' with regional protocols.
- The allocation under Project Tiger has been enhanced from Rs. 7500 lakhs in the IX Plan to Rs. 15,000 lakhs in the X Plan.
- Country level appraisal of habitat fragmentation has been done to facilitate restorative inputs.

Statement

Population of tigers in the country as reported by the States
